

Ms. Van Anne's Class News

August 19th – August 23rd, 2019

Hello!

Welcome back! It was great to meet you all at Meet the Teacher last week. It has been an eventful few days with the kids, and we will keep going strong from here.

This 1st week we will continue to go over rules, procedures, and the schedule of the day. Today we completed "Baseline Assessments" in both our reading and math programs. We will start our 1st couple lessons this week as well.

If you have any questions, please let me know!
